### DID YOU EVER WANT TO BE PRESIDENT?

We are still looking for a good candidate for President.

The Mid Missouri Chapter has been successful for 11 years and is larger than it has ever been. Our chapter has provided high quality continuing education and a solid network for the local project management community. This achievement has been through the hard work of many volunteers. For this organization to continue to thrive we need a committed President to continue our success and the fine service we provide to our members.

If you have further questions about the President's position contact us at pmipres@pmimidmo.org
